

DYNA BRITE 367

High Performance, Heavy Duty Liquid Cleaner

Technical Data Sheet

Extreme Cleaning

DYNA BRITE 367

A high performance, heavy duty liquid cleaner used at ambient temperatures, Dyna Brite is designed to emulsify and lift stubborn, unwanted soils from hard surfaces in high traffic use areas such as counter tops, foot pathways and forklift passages safely and effectively. It is ideal for use in floor scrubbers, mop and bucket and general purpose applications as it leaves no sticky or tacky residue.

FEATURES & BENEFITS

- Crystal to amber liquid
- Non-flammable
- Free of caustic chemicals & chlorinated hydrocarbons
- Safe on durable painted surfaces, rubber and plastics
- Dilutable with water
- Non-toxic under normal use
- No after odor
- High cleaning efficiency at ambient temperatures

USES

Removes food area grease and fats, wax, ink, soot, dirt, stains and light carbon from hard surfaces and even smoke residue. Great for maintenance areas, equipment, tools and parts.

RECOMMENDED DILUTIONS

Property	Typical value
Floor Scrubbers	2-4 oz per gallon.
Mop Water	4-6 oz per gallon.
General purpose	1-2 oz per gallon.

OPERATING CONDITIONS

Property	Typical value
Conditions	Use as is, or dilute to strength required for particular application.
Temperature	Ambient
Time	Allow contact time of 1 to 5 minutes to activate soil removal.
Application Method	Apply by spray, mop, wipe-on, or floor scrubber. When applied by spray, brushing the surface aids cleaning.
Removal	Water rinse, squeegee or wipe off

Protect Your Investment.
